Add a flourish to your bedroom with a statement bed. We love the oversized headboard of the Astell, from £1,414 plus 8m fabric for a double, one of 19 new designs from Chapel Street, 020 8576 6644, chapelstreetlondon.com.

LEADING LIGHTS

Contemporary and vintage aesthetics meet in the designs of Gabriel Hendifar and Jeremy Anderson, the duo behind New York lighting brand Apparatus. Exquisite pieces showcasing aged metals, etched glass, leather and marble include this Lariat sconce, H58.5cm, £2,880. The range is available in the UK at SCP, 020 7739 1869, scp.co.uk.

Barefoot walks, cycling tours, picnics and nature hunts are just some of the enticing events on offer for **National Meadows Day** on 1 July. Visit magnificentmeadows.org.uk to get involved and see how you can help protect these vanishing wildflower grasslands.

INSTAGRAM INSPIRATION

With husband Julian, Isabel Bannerman is garden design royalty. We love the lively inspiration to be found [@isabelbannerman](https://www.instagram.com/isabelbannerman)

How would you describe your Instagram account?

An eclectic mix of the natural world, design and architectural details – never plates of food or selfies, but I hope full of jokes as well as arresting images.

Who would you recommend we follow?

I really enjoy [@bibleofbritishtaste](https://www.instagram.com/bibleofbritishtaste) – a wide mix of quirky things to tickle the fancy, from architecture to interior decoration, pictures, china and so on. I wish they would put up more.
