FRANCESCA'S PAINTS

This eco paint company has 194 hand-mixed colours in its range but can also create custom shades while you wait. Take in a fabric and they'll match your paint to it, keeping the formula in case you need it again. francescaspaint.com

DANIEL HEATH

Known for his whimsical, hand-drawn illustrations (swooping birds, high-wire circus acts), designer Daniel Heath creates bespoke, mostly narrative-based patterns for wallpaper, fabrics or salvaged surfaces such as antique mirrors, which have been transformed into tables. danielheath.co.uk
