A quirky mix of furnishings defines this eclectic house

IN DETAIL HEAVENLY MURAL

'Instead of adorning the wall with pictures, we chose this subtle paint finish, inspired by the movement of the sky's colours when looking through the big window,' says Ed Waghorn. 'It connects with the vastness of the view and feels appropriate for the scale and aspect of the room. We used natural pigments suspended in thin water-based glazes, applied in tinted layers using a fine brush.'
