The art of luxury

NOVEMBER 2021

COLOUR OF THE MONTH

Considered a dark neutral, earthy brown is grounding but also has an elegance that is truly sophisticated. Versatile, it can be striking on its own or allow other hues to stand proud. Here, experts extol all its virtues

This warm, balanced brown, named after a JD Salinger short story, has vast depth and versatility. Wall in Love and Squalor eco emulsion, £27 for 1ltr, Francesca's Paint
