design is life

tates the mood of a room,' says
ector of Victory Colours. 'A pinker
whereas a darker more reddish tone
. Either way, raspberry makes for a
'.

correct shade is to consider
d. 'Bedrooms lend themselves well
these create a cosy feel,' says Helen
loore UK. 'Alternatively, a brighter
nergy to a space. It's perfect for social
oms.'

to think about. 'The lack of light in
out cooler tones from your colour,'
ector of Vintro Paint. 'However, the
y, the warmer it will feel, making it
outh-facing room, lighter raspberry
ht while adding a soft glow.'

- besides its natural richness - is
traditional approach, it looks good
shades of gold velvet with old family
ler, founder of Andrew Martin. 'In a
ut with lashings of white and pop art.'

this is a great bold shade to try
d,' says Sue Kim, senior colour designer
aspberry with burnt orange accessories
reminiscent of the 1960s.'

f raspberry, why not just paint
og?' says Clare Tilbrook, joint founder
Fenwick & Tilbrook. 'Raspberry can
r—a modern twist on a classic red door.'

d statements? Look to nature instead.
. raspberries are paired with varying
th a tiny pop of yellow,' says Sandy Clare,
aint. 'Why not balance this colour palette
r cream backdrop?'

berry as a fresh
twist on a
red front door
