Some of the design effects in this issue, re-created by Maria Yiannikou

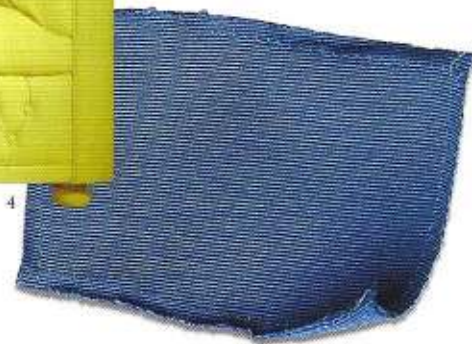

1 Concerned that Cole & Son's 18th-century 'Medallion' (left; page 170) and Victorian 'Barry Tracery' (right; page 172) wallpapers at the Glebe House are things of the past? Fear not! The archived screenprints are available, in custom colours, for £179 and £333 per 10m respectively, with a minimum

order of 10 rolls. Ring 020 8442 8844, or visit cole-and-son.com.

2 The fanlight (page 173) in the entrance of the Sussex rectory was already there when Robert and Phoebe Harling bought the place. The rest of us can call upon the services of Sambrook & Temperton, who can even incorporate a lantern for you. Prices start at £1,500. Ring 01904 400686, or visit fanlights.com.

3 Like the faded limewash hue of the Glebe House's exterior walls (page 168)? Then get your paintbrushes at the ready! From left, 'Marco's Terracotta', 'Benjamin's Oxblood' and 'Rebecca's Red', from Francesca's Paints, are close matches to the original colour of the house. Prices start from £16.67 per litre. Ring 020 7228 7694, or visit francescaspaint.com.

4 If you fancy yourself lounging on a buttoned sofa like the one at the Harling residence (page 170), the 'Hamilton' three-seater from Chesterfields 1780 costs £1,295. Ring 0161 928 3357, or visit chesterfields1780.com. Cover it with Jab's yellow or blue cotton-and-polyester mix (£49.70 per m) from its 'Arca' collection. Ring 020 7349 9323, or visit jab.de.

5 Coveting the Gabetti & Isola rug in Toni Meneguzzo's loft apartment in Milan (page 180)? Then Alberto Levi is your man. He can source rugs by the Italian designers – like this 'Tapipardo' one, c1970, from the 'Tapizoo' series. They cost £8,312 approx. Ring 00 39 02 8901 1553, or visit albertolevi.com.

6 Toni Meneguzzo's space in Milan showcases modern Italian furniture. One such design is the '004.01' table by Filippo Dell'Orto (pages 180 and 185), also available in this bright yellow. It costs £2,000 approx. Ring 00 39 03 62 330355, or visit sphaus.com.
