Paints are not just green

Francesca's Paints

Try out Mughal Spring, a collection of super-chalky paint shades created by eco-paint

doyenne Francesca

Wezel in collaboration with textile designer Aleta Bartel-Orton.

There are eight shades to choose

from, from powdery Mughal Earth to palest Milk Buti. Francesca's Paints, which are made

from only natural, solvent-free ingredients, are available as limewash, emulsion, oil eggshell or flat oil, from £11 a litre. For details of stockists, visit www.francescaspaint.com.
