CROFT BY FRANCESCA'S PAINTS'

Inspired by the beautiful, wild landscape of the Outer Hebridean island of Barra, Francesca's Paints' Postcard from Barra collection features five co-ordinated shades. A moody yet calming colour, Croft is reminiscent of the untameable Scottish sea and boundless skies. Created with a combination of black, raw umber and purple ones, this versatile blue-grey works in any room.

From £35 for 1 litre of eco emulsion,
