

# FRANCESCA'S PAINTS LTD

## FRANCESCA'S OIL EGGSHELL

**Francesca's Eggshell** is a high-quality oil-based satin sheen finish for woodwork and it comes in all colours. **Please note that due to some changes in the formulation of the product, the paint will look glossy for up to 3 weeks, when it will go back to its original eggshell finish. Sheen level 35-37%**

### PREPARATION

Ensure surface to be painted is clean, dry and free from grease. Wear a suitable face mask when dry sanding.

### APPLICATION

Stir well before use. Apply evenly by brush or roller and avoid overspreading. Apply one or more coats as required and allow 16-24 hours between coats under normal conditions.

### COVERAGE

**1 litre will cover approximately 20 sq. meters**, depending on the porosity of the surface. Strong and contrasting colour may require additional coats. When using more than one tin of a colour, intermix before use.

### CLEANING

Remove as much paint as possible from application equipment before washing. Wash equipment immediately after use with White Spirit or Turpentine Substitute. Do not empty product in to drains or watercourses. Replace lid firmly. Store away from heat and flame.

### GENERAL INFORMATION

Ensure maximum ventilation during application and drying. Avoid contact with skin and eyes. If accidental contact occurs, rinse with copious amount of water and seek medical advice. Keep out of reach of children. **FLAMMABLE. HIGH VOC CONTENT 25-50%. VOC's (Volatile Organic Compounds) contribute atmospheric pollution.**

### COLLECTION AND DELIVERY

Collection is available by appointment only. Deliveries charges vary with quantities ordered and are priced on application. All goods remain the property of **Francesca's Paints Ltd** until payment is made in full.

### WARRANTY AND LIABILITY DISCLAIMER

The information herein is offered in good faith. There are no implied conditions of warranty. The manufacturer's guarantee is limited to product replacement only and does not include surface preparation and application.
